Tea Sale!

I shall put on sale the First day of August a wonderful bargain in the way of a 25 cent Japan Tea. This tea is generally sold for 40 to 50 cents. Don't buy a pound of tea until you have tried this tea, and we don't ask you to buy this until you have tried a free sample, which we will give you by asking for it. We mean strictly what we say when we claim that this is the best tea ever sold in Owosso for the money. We want you to compare this tea with the tea you get from other places—see which is the best—decide the matter yourself—don't believe everything you are told by merchant's about sales, bargains, etc. We have all grades and all kinds, and will give you the right prices on anything you may need.
